

**ANNA LOTAN ULTRA-GENTLE SHEER MINERAL PROTECTION UVA/UVB SPF50-
zinc oxide lotion
Anna Lotan Ltd.**

anna lotan Ultra-gentle Sheer Mineral Protection UVA/UVB SPF50

Drug Facts

Active Ingredients

Zinc Oxide 25%

Purpose

Sunscreen

Uses

- Helps to prevent sunburn
- If used as directed with other sun protective measures (see ***Directions***), decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

- For external use only • Do not use on damaged or broken skin.

When using this product • avoid contact with eyes. If contact occurs, rinse thoroughly with water to remove.

Stop use and ask a doctor • if rash occurs.

Keep out of reach of children • if product is swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Apply liberally 15 minutes before sun exposure.
- **Reapply:** • after 40 minutes of swimming or sweating • immediately after towel drying • at least every 2 hours.
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF of 15 or higher and other protection measures including:
 - Limit time in sun from 10 a.m.- 2 p.m.
 - Wear long-sleeve shirts, pants, hats and sunglasses.
 - Children under 6 months: Ask a doctor.

SUN Select

For all skin types

TENDER LOVING CARE

DERMATOLOGICALLY TESTED

FOR SENSITIVE SKIN

Experience superior sun protection with a silky-smooth touch. This fragrance-free lotion is powered exclusively by **Zinc Oxide**, providing a safe and effective mineral shield-**free of chemical UV filters**.

Unlike traditional mineral sunscreens, its **creamy texture** is effortlessly absorbed with several massage motions without leaving a heavy white cast on the skin making it perfect for daily wear-even under makeup.

Infused with a soothing blend of **Bisabolol** and **Allantoin**, plus potent **antioxidants** such as **Vitamin E (Tocopherol)** and **Hydroxyacetophenone**, this formula helps prevent free radical damage essential during sun exposure.

Replenishing **seed oils** and **phytosterols** reinforce the skin's natural barrier, **while Dead Sea** minerals enhance long-lasting moisture retention. The unique **water-in-oil** emulsion resists wash-off, locking in softness and elasticity for all-day comfort.

How to Use: Apply generously to face and neck before sun exposure. Gently massage in-any initial white tint disappears within seconds, leaving skin smooth and protected. Reapply as needed based on individual sun sensitivity.
