DS LABORATORIES
WHO WE ARE

We are a different kind of personal care company, one that continuously innovates and develops high-tech products that are designed to exceed our customer's expectations. Our state-of-the-art biotech-powered products are trusted by top dermatologists around the world to deliver youth, radiance, and performance unlike any other.

HOW WE DO IT

With a commitment to excellence and passion for developing best in class formulations that make a meaningful difference in the lives of our customers.

EARTH-FRIENDLY
COMMITMENT

We believe that every company has a responsibility to create products that leave the world in a better place. To this end, our boxes are 100% recyclable and our bottles are made of 100% bio-degradable plastic—meaning that once a bottle is used and discarded, they break down and dissolve back into the earth.

NANOSOMES
AN INTELLIGENT COSMETIC

DS Laboratories products feature the most advanced technology for the transportation of substances: using our Nanosome delivery system, essential substances and key ingredients are delivered in a way which follows prior programming for a specific function.

Recommended by top dermatologists around the world

ENGLISH
INDICATIONS: Relieves and helps prevent recurrence of scalp itch, irritation, redness, flaking and scaling associated with dandruff.
DIRECTIONS: Apply shampoo to scalp with a gentle massage, leave in for 2-3 minutes, rinse. For maximum benefit use 4-5 times a week along with Dandrene® Anti-Dandruff Conditioner or as directed by a doctor.
PRECAUTIONS: For external use only. When using this product avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water. Stop use and ask a doctor if condition worsens or does not improve after regular use of this product. Keep out of reach of children. Consult a health care practitioner prior to use in children under 2 years of age.

FRANÇAIS
INDICATIONS: Soulage et aide à prévenir la récurrence des démangeaisons, irritations et rougeurs du cuir chevelu liées aux pellicules.
MODE D'EMPLOI: Appliquer le shampoing sur cheveux mouillés en massant le cuir chevelu, laisser reposer pendant 2-3 minutes puis rincer. Pour un résultat optimal utiliser 4-5 fois par semaine avec l'après-shampoing Dandrene® Antipelluculaire ou comme dirigé par un médecin.
PRÉCAUTIONS: Pour usage externe seulement. En utilisant ce produit éviter le contact avec les yeux. En cas de contact, rincer les yeux à l'eau. Arrêtez l'utilisation et demandez à un médecin si la condition se détériore ou ne s'améliore pas après l'utilisation régulière de ce produit selon les directives. Tenir hors de portée des enfants. Veuillez consulter un médecin avant l'utilisation sur un enfant de moins de 2 ans.

ESPAÑOL
INDICACIONES: Champú exfoliante que ayuda a aliviar y a prevenir la caspa recurrente y adherida al cuero cabelludo.
MODO DE EMPLEO: Aplicar el champú sobre el cabello mojado y el cuero cabelludo con un suave masaje, dejar actuar durante 2-3 minutos, enjuague. Para el máximo beneficio utilizar 4-5 veces a la semana, junto con Dandrene® Anticaspa Acondicionador o según las indicaciones de un médico.
PRECAUCIONES: Sólo para uso externo. Cuando use este producto, evite el contacto con los ojos. Si se produce el contacto, enjuague los ojos con abundante agua. Pare el uso y consulte al médico si la condición empeora o no mejora después del uso regular de este producto según las indicaciones. Mantener fuera del alcance de los niños. Consulte a un médico antes de su uso en niños menores de 2 años de edad.

PORTUGUÊS
INDICAÇÕES: Alivia e ajuda a prevenir a recorrência de coceira no couro cabeludo, irritação, vermelhidão e descamação associados com a caspa.
INSTRUÇÕES: Aplique shampoo para cabelo molhado e couro cabeludo com uma massagem suave, deixe-a por 2-3 minutos, enxaguar. Para o benefício máximo usar 4-5 vezes por semana, juntamente com Dandrene® Anti-Caspa Conditioner ou conforme indicado por um médico.
PRECAUÇÕES: Para uso externo somente. Ao usar este produto evitar o contacto com os olhos. Se ocorrer contato, lavar os olhos abundantemente com água. Pare o uso e pergunte a um médico se condição piora ou não melhora depois do uso regular deste produto como indicado. Mantenha fora do alcance de crianças. Consulte um médico antes de usar em crianças menores de 2 anos de idade.
