Yes To™ Tomatoes Micellar Cleansing Water

DRUG FACTS

Active Ingredients

Salicylic Acid 0.5%

Purpose

Acne Treatment

Uses

for the treatment of acne

Warnings

For external use only

- **Avoid contact with the eyes**
- **If contact occurs, rinse thoroughly with water**
- **Do not use to clean the eye area.**

Before using for the first time, apply a small amount to the affected area for 3 days. If no discomfort occurs, then follow directions for use. Using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions

Cleanse the skin thoroughly before applying medication. Cover the entire affected area with a thin layer one to three times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
