VERNEL KOZMETIK SANAYI VE TICARET ANONIM SIRKETI

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

alcohol 75% (v/v)

Antiseptic, Hand Sanitizer

purified water, carbomer, aloe vera leaf, fragrance lemon, trietanolamine (trolamine)

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

This is a hand sanitizer manufactured according to the Temporary Policy for Preparation of Certain Alcohol-Based Hand Sanitizer Products During the Public Health Emergency (CoViD-19); Guidance for Industry.

The hand sanitizer is manufactured using only the following United States Pharmacopoeia (USP) grade ingredients in the preparation of the product

Alcohol (ethanol) (USP or Food Chemical Codex (FCC) grade) (80%, volume/volume (v/v)) in an aqueous solution denatured according to Alcohol and Tobacco Tax and Trade Bureau regulations in 27 CFR part 20.

Glycerol (1.45% v/v).

Sterile distilled water or boiled cold water.

The firm does not add other active or inactive ingredients. Different or additional ingredients may impact the quality and potency of the product.

Place enough product on hands to cover all surfaces. Rub hands together until dry.

Supervise children under 6 years of age when using this product to avoid swallowing.

For external use only. Flammable. Keep away from heat or flame

in children less than 2 months of age
on open skin wounds

Store between 15-30C (59-86F)

Avoid freezing and excessive heat above 40C (104F)

HAND SANITIZER

EN- Application: Just put some gel on the palms of your hands and rub in for about 15-30 seconds.
Warning: Check before use if you are sensitive to any substance in the product content. **Hazard warnings:** Flammable liquid and vapor. Causes serious eye irritation. **Safety instructions: Prevention:** Keep away from heat / sparks / open flames / hot surfaces. Do not smoke. Keep container closed. **IF IN EYES:** Rinse gently with water for a few minutes. Remove contact lenses if possible. Continue to rinse. **If eye irritation persists:** Get medical advice / attention. **In case of fire:** Use dry chemical, alcohol or chemical resistant foam to extinguish. **Storage:** Store in a well-ventilated place. Store in a cool place. **Disposal:** Dispose of the contents / container to an approved waste disposal facility.

ES- Aplicación: Solo aplique un poco de gel en las palmas de las manos y frótelo durante unos 15-30 segundos. **Advertencia:** Verifique antes de usar si es sensible a cualquier sustancia en el contenido del producto. **Advertencias de peligro:** Líquidos y vapores inflamables. Causa irritación ocular grave. **Instrucciones de seguridad: Prevención:** Mantener alejado del calor / chispas / llamas abiertas / superficies calientes. No fume. Mantener el envase cerrado. **SI EN LOS OJOS:** Enjuague suavemente con agua durante unos minutos. Quítense las lentes de contacto si es posible. Continuar enjuagando. Si la irritación ocular persiste: obtenga atención / consejo médico. **En caso de incendio:** Utilice polvo químico seco, alcohol o espuma resistente a productos químicos para extinguir. **Almacenamiento:** Almacenar en un lugar bien ventilado. Almacene en un lugar fresco. **Eliminación:** Elimine el contenido / contenedor en una instalación de eliminación de residuos aprobada.

FR- Application: Il suffit de mettre un peu de gel sur la paume de vos mains et de frotter pendant environ 15-30 secondes. **Avertissement:** Vérifiez avant utilisation si vous êtes sensible à une substance dans le contenu du produit. **Mentions de danger:** Liquide et vapeurs inflammables. Provoque une sévère irritation des yeux. **Consignes de sécurité: Prévention:** Tenir à l'écart de la chaleur/des étincelles/des flammes nues / des surfaces chaudes. Ne pas fumer. Gardez le récipient fermé. **EN CAS DE CONTACT AVEC LES YEUX:** rincer avec précaution à l'eau pendant quelques minutes. Retirez si possible les lentilles de contact. Continuez à rincer. **Si l'irritation oculaire persiste:** consulter / consulter un médecin. **En cas d'incendie:** utiliser un produit chimique sec ou une mousse résistante à l'alcool pour éteindre. **Stockage:** stocker dans un endroit bien ventilé. Restez au frais. **Élimination:** Éliminer le contenu / récipient dans une installation d'élimination des déchets approuvée.
