

**RETAINÉ PM - mineral oil, white petrolatum ointment**  
**OCuSOFT, Inc.**

*Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.*

-----

**Retaine PM**

**Active ingredients**

Mineral oil (20%)  
White petrolatum (80%)

**Purpose**

Eye lubricant

**Uses**

As a lubricant to prevent further irritation or to relieve dryness of the eye(s).

**Warnings**

For use in the eyes only.

**When using this product**

- do not touch tip of container to any surface to avoid contamination.
- replace cap after use.

**Stop use and ask a doctor if**

- you experience eye pain, changes in vision, continued redness or irritation of the eye.
- the condition worsens or persists for more than 72 hours.

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center immediately.

**Directions**

- Pull down the lower lid of the affected eye(s).
- Apply a small amount (1/4 inch) of ointment to the inside of the eyelid.

**Other information**

- Do not use if cap breakaway seal is broken or missing.
- Store between 15°-30°C (59°-86°F).
- Keep this carton for full product information.
