-----

**Toner**

**Dosage & Administration**

Directions:

1. Rinse hands and face with warm water.
2. Cleanse face with a KAVI cleanser.
3. Pat skin dry.
4. Dampen cotton pad with KAVI Toner.
5. Apply pad to skin in light circular motion, removing residual dirt, bacteria, and makeup from pores.
6. Repeat as needed.

**Purpose**

Made with cucumber extract and salicylic acid, the KAVI Toner is an ideal final-stage cleanser for individuals with reactive skin conditions such as acne, rosacea, eczema, and psoriasis. Cucumber extract, a powerful antioxidant rich in vitamins A, C, E, and K, will help to soothe irritated skin and reduce swelling. Salicylic acid will help to reduce pore diameter, exfoliate dead skin cells, and remove any remaining dirt, oil, or bacteria inside pores. When used daily, the KAVI Toner also provides an excellent preventive measure against blackhead formation.

**Indications & Usage**

Made with cucumber extract and salicylic acid, the KAVI Toner is an ideal final-stage cleanser for individuals with reactive skin conditions such as acne, rosacea, eczema, and psoriasis.

Directions:

1. Rinse hands and face with warm water.
2. Cleanse face with a KAVI cleanser.
3. Pat skin dry.
4. Dampen cotton pad with KAVI Toner.
5. Apply pad to skin in light circular motion, removing residual dirt, bacteria, and makeup from pores.
6. Repeat as needed.

**Active Ingredients**

Active Ingredients: cucumis sativus (cucumber) extract (3%), salicylic acid (0.2%).

**Inactive Ingredients**

Inactive Ingredients: hamamelis virginiana (witch hazel) extract, panthenol, ethanol, deionized water, light fragrance.

## **Warnings**

For external use only. If swallowed, seek medical attention. Avoid contact with eyes and mucous membranes. In case of eye contact, flush with cold water. Keep out of reach of children.
