## ***Direction***

- Cleanse the skin thoroughly before applying this product
- For treatment of acne, wet cotton bud or pad with solution and cover the entire affected area with a thin layer one to three times daily. Suitable for both facial and body acne.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- Complement this with other Skinlycious products to reduce the likelihood of skin dryness.
- For full face exfoliant, wet cotton pad with a solution and apply a thin layer in the evening only over the entire face. No need to rinse off. Once skin condition improves, reduce frequency to no more than 3-5 times a week in the evening only.
