

**SIGNATURE CARE HEMORRHOIDAL CREAM (WITH APPLICATOR)-
phenylephrine hydrochloride, pramoxine hydrochloride, glycerin,
petrolatum cream
BETTER LIVING BRANDS, LLC**

**Signature Care Hemorrhoidal Cream + Aloe Max. Strength Pain Relief
w/Applicator 2 oz ZDP 78981**

Active ingredients Purpose

Glycerin 14.4%.....	Skin protectant
Phenylephrine HCl 0.25%.....	Vasconstrictor
Pramoxine HCl 1%.....	Local anesthetic
White petrolatum 15%.....	Skin protectant

Uses

- for temporary relief of pain, soreness and burning
- helps relieve the local itching and discomfort associated with hemorrhoids
- temporarily shrinks hemorrhoidal tissue
- temporarily provides a coating for relief of anorectal discomforts
- temporarily protects the inflamed, irritated anorectal surface to make bowel movements less painful

Warnings

For external and/or intrarectal use only

Ask a doctor before use if you have

- heart disease
- high blood pressure
- thyroid disease
- difficult in urination due to enlargement of the prostate gland
- diabetes

When using this product

- do not exceed the recommended daily dosage unless directed by a doctor
- do not put into the rectum by using fingers or any mechanical device or applicator

Stop use and ask a doctor if

- condition worsens or does not improve within 7 days
- bleeding occurs
- an allergic reaction develops
- the symptom being treated does not subside or if redness, irritation, swelling, pain or other symptoms develop or increase

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions

- adults: when practical, cleanse the affected area by patting or blotting with an appropriate cleansing wipe. Gently dry by patting or blotting with a tissue or a soft cloth before applying cream.
- when first opening the tube, peel back foil seal
- apply externally or in the lower portion of the anal canal only
- apply externally to the affected area up to 4 times daily, especially at night, in the morning or after each bowel movement
- for application in the lower anal canal: remove cover from dispensing cap. Attach dispensing cap to tube. Lubricate dispensing cap well, then gently insert dispensing cap partway into the anus
- thoroughly cleanse dispensing cap after each use and replace cover
- children under 12 years of age: ask a doctor

Other information

- store at room temperature 20-25°C (68-77°F)

Inactive ingredients

.alpha.-tocopherol acetate, aloe vera leaf, anhydrous lanolin, butylated hydroxytoluene, cetostearyl alcohol, cetyl esters wax, cetyl palmitate, glyceryl monostearate, isopropyl myristate, light mineral oil, methylparaben, propylene glycol, propylparaben, purified water, steareth-20, stearic acid, trisodium citrate dihydrate
