Anti-plaque
Anticavity

WARNINGS

(1) The fluorine content of this toothpaste is 1,000 ppm. (2) Be careful not to swallow it and wash your mouth thoroughly after using it. (3) If the use of this toothpaste causes abnormalities, such as damaging your gums or mouth, stop using it and consult a doctor or dentist. (4) For children under the age of 6, use a small amount of toothpaste, around the size of peas, per session and use it under the guidance of a guardian to avoid sucking or swallowing. (5) If a child under the age of 6 swallows a large amount, consult a doctor or dentist immediately. (6) Keep out of reach of children under 6 years of age.

KEEP OUT OF REACH OF CHILDREN

Keep out of reach of children under 6 years of age.

Uses

Prevents periodontal diseases and gum diseases.

Removes plaque(anti-plaque)

Directions

- Adults and children 2 years of age and older: Brush teeth thoroughly, preferably after each meal or three times a day, or as directed by a dentist or physician
- Children 2 to 6 years: Use only a pea sized amount and supervise child's brushing and rinsing (to minimize swallowing)
- Children under 2 years: Consult a dentist

Other Information

Airtight container, Store at room temperature (1~30°C)
