

ICY HOT KIDS PAIN RELIEF- menthol patch
Lead Chemical Co., Ltd.

ICY HOT® Kids Pain Relief Patch

Active ingredient

Menthol 5%

Purpose

Topical analgesic

Uses

temporarily relieves minor aches and pains of muscles and joints associated with:

- arthritis
- simple backache
- strains
- sprains
- bruises

Warnings

For external use only

Do not use

- on wounds or on irritated or damaged skin
- with a heating pad

When using this product

- use only as directed
- do not bandage tightly
- avoid contact with eyes and mucous membranes
- do not expose the area to local heat or to direct sunlight
- rare cases of serious burns have been reported with products of this type
- a transient burning sensation may occur upon application but generally disappears in several days
- avoid applying into skin folds

Stop use and ask a doctor if

- condition worsens or symptoms persist for more than 7 days
- symptoms clear up and occur again within a few days
- redness is present or excessive skin irritation occurs

- your child experiences severe burning pain, swelling, or blistering where the product was applied

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

children 5 years of age and older:

- patch may be cut into smaller sizes with scissors prior to removal of the backing
- remove backing from patch by firmly grasping both ends and gently pulling until backing separates in middle
- carefully remove smaller portion of backing from patch and apply exposed portion of patch to affected area
- once exposed portion of patch is positioned, carefully remove remaining backing to completely apply patch to affected area
- apply to affected area not more than 3 to 4 times daily
- wash hands after applying or removing patch. Throw away the patch by folding sticky ends together.

children under 5 years of age: ask a doctor
