GERM SHARK PX 50 WIPES

How to Use:
 Peel back cover in shark's mouth to remove wet wipes. To keep wipes fresh and moist, close the cover after use. Wipe your hands thoroughly and let dry. Be sure to let your hands completely dry before touching a stove, bbq grill or coming in close contact with any open flame.
 If using to wipe something other than your hands, always test first. For best results, clean excessively dirty areas before using wipes.
 Please do not flush these wipes. We recommend you dispose of them in the trash. Flushing wipes can cause damage in plumbing.
