- Store between 15-30C (59-86F)
- Keep away from direct sunlight, heat and flames

How to Use:

Peel back top cover and remove protective film to access the wipes. Locate the wipe at the center of the roll and insert its corner through the opening of the cap. Do NOT push your fingers through the opening. Replace the cover and snap lid securely shut. Pull each wipe with a little force. To keep wipes fresh and moist, close lid after use.

Wipe your hands thoroughly and let dry. Let hands completely dry before coming in close contact with any open flame.

For best results, clean excessively dirty areas before using wipes.

Please do not flush these wipes. We recommend that you dispose of them in the trash. Flushing wipes can cause damaged in plumbing.
