DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To Clean:
First and foremost to help prevent the risk of infection in home care, schools and homes.

To Clean and Disinfect:
Wipe hard, non-porous surfaces with moderate wet surfaces in sinks and thoroughly wet. Allow to air dry. Surface should be visibly wet for five minutes for effective disinfection. If surface is very dirty, use another wipe to clean and a third wipe to disinfect.
Do not use on leather, plastic, dishes, glassware and/or eating utensils.

PRECAUTIONARY STATEMENTS
HAZARDOUS TO HUMANS AND ANIMALS:
Causes eye irritation. Avoid contact with eyes.

First aid:
If in eyes, flush eye open and close slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after 15-20 minutes. Then continue flushing eye. Call a poison control center or doctor for treatment advice. Flush the product container or label with your other safety precaution labels or other or going to treatment facility.

STORAGE AND DISPOSAL:
Store in original container to avoid eye accidents in children. Keep securely closed. Non-refillable container. Do not reuse or refill this container. Recycle empty container in recycling if available.
