General Resources LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

HYR Facial & Body Acne Spray (Salicylic Acid)

Drug Facts

Active ingredient

Salicylic Acid, 2%

Purpose

Acne Treatment

Uses

for the treatment of acne

Warnings

For external use only.

Flammable, keep away from fire or flame.

Sunburn Alert: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun. Avoid unnecessary sun exposure and use a sunscreen of SPF 15 or higher.

When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying this product
- spray the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive ingredients water, glycolic acid, ethyl alcohol, ammonium hydroxide, hamamelis virginiana (witch hazel) water, acetone, polysorbate 20, sodium benzoate, imidazolidinyl urea, disodium EDTA, benzoic acid
