- Households
- Health clubs
- Restaurants
- Nursing homes
- Correctional facilities
- Schools
- Hotels

Features and Benefits

- Kills 99.9% of the bacteria on your hands
- Special formula cleans and sanitizes
- Use and dispose of wipe to prevent cross-contamination
- Convenient and easy to use

ANTISEPTIC with Aloe & Vitamin E

160 Pre-Moistened Wipes 6" x 8"

REF #3500

PALMERO
HEALTHCARE

• Formulated with Aloe and the antioxidant Vitamin E to moisturize the skin.
• This effective formula cleans hands while killing bacteria.
• Towels are made from a non-abrasive fabric that is gentle to skin.
• Unlike runny sanitizing gels, wipes do not cause a mess.
• Kills 99.9% of bacteria. Leaves a fresh wintergreen fragrance. Leaves hands feeling clean.

Directions for Dispensing
To start feed, remove large cover from container and discard seal. From center of towelette roll, pull up a towelette corner, twist into a point and thread through hole in container cover. Pull through about one inch. Replace cover. Pull out first towelette and snap off at a 90° angle. Remaining towelettes feed automatically, ready for next use. When not in use, keep small center cap closed to prevent moisture loss.

Disposal
Dispose of contents/container to comply with local/regional/national/international regulations. Offer empty container for recycling. If recycling is not available, discard container in trash. Do not flush wipes.

NFPA® Ratings
Health: 0; Flammability: 3; Reactivity: 0

For industrial and commercial use only.
