RéVive Acne Reparatif Acne Treatment Gel

Drug Facts

Active ingredients

Salicylic Acid 0.5%

Purpose

Acne Medication

Use

For the treatment of acne

Warnings

For external use only.

When using this product

- apply to affected areas only
- using other topical acne medication at the same time may increase dryness or irritation of the skin. If irritation occurs, use only one medication at a time.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying
- cover the entire affected area with a thin layer 1 to 3 times daily. Avoid eye area.
- as excess drying of the skin may occur, begin with 1 application daily then increase to 2 or 3 times daily, if needed, or as directed by a physician
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Other information

Protect container from heat and flame. Do not smoke when applying this product. Keep container tightly closed.
