

ENLYTE GUMMY PLUS- multivitamin/multimineral supplement chewable gel
Jaymac Pharma

EnLyte® Gummy+
with BetaFolate™

DIETARY SUPPLEMENT

DESCRIPTION:

EnLyte® Gummy+ is a prescription multivitamin/multimineral supplement specially formulated with active folates, vitamin B12, and omega-3s to support brain health, methylation, emotional well-being, focus, and overall mental wellness.*

Free of major allergens: SOY, GLUTEN, DAIRY, EGGS, PEANUTS, TREE NUTS, SESAME & SHELLFISH.

No artificial colors, artificial flavor, gelatin.

NON-GMO (genetically modified organism).

KOSHER & HALAL

Ahiflower oil naturally improves the circulating levels of EPA.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any diseases.

DIRECTIONS:

Kids 2 to 8 years take 1 gummy or as directed by a healthcare provider. May be taken with or without food.

PRECAUTIONS:

Folate doses above 0.1 mg per day may mask vitamin B12 deficiency by improving hematological symptoms, such as those seen in pernicious anemia, without addressing neurological complications. L-methylfolate is believed to have a lower risk of masking B12 deficiency than folic acid. Folate therapy alone is inadequate for the treatment of a vitamin B12 deficiency.

ADVERSE REACTIONS:

Allergic reactions have been reported with oral folate supplementation. Mild, transient diarrhea, itching, rash (exanthema), and generalized swelling have been associated with vitamin B12 use

HOW SUPPLIED:

EnLyte®Gummy+ Bottle of 30 - Product Code # 64661-220-30. EnLyte®Gummy+ is a

round, maroon gummy.

STORAGE:

Store at controlled room temperature 15°C to 30°C (59°F to 86°F). Protect from heat, light, and moisture. (Tamper Evident: Do not use if seal is broken or missing.)

WARNING:

KEEP THIS OUT OF THE REACH OF CHILDREN.
