- Kills 99.9% of most common germs that may make you sick.
- Helps reduce the risk of infections.
- Leaves no residues or residue on the surface.
- Removes light soil and dirt.
- Recommended for repeated use.
- These wipes will not harm most surfaces.
- Does not contain bleach or ammonia.

Sanitize hard, nonporous, non-food contact surface: Wipe surface, use enough wipes for treated surfaces to remain visibly wet for 10 seconds. Let surface dry. For highly polished surfaces, clean excess dirt first.

For surfaces that may come in contact with food, a potable water-rinse is required. This product is not for use on dishes, glassware or eating utensils. Do not use as a diaper wipe. Not recommended for use on unpainted wood and unfinished/unsealed, unpainted, waxed, oiled or worn surfaces. Test a small area first.

Caution: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. First Aid: If in eyes, hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center for treatment advice. Have the product container labeled with you when calling a poison control center or doctor or going for treatment. For further information, call (800) 222-3660. Physical or Chemical Hazards: Do not use or store near heat or open flame.

Storage and Disposal: Dispose of wipe in trash after use. Do not flush. Tightly close lid between uses to retain moisture. Nonrefillable pouch. Do not reuse or refill this empty pouch. Reuse empty pouch if recycling is not available, discard container in trash. Contains no Phosphorus.
