Drug Facts

Active Ingredients	Purpose
Chloroxylenol 1.00%	Broad Spectrum Biocide
	Controls Mildew
Salicylic Acid 0.5%.....	Antiseptic, Disinfectant
	Keratolytic Agent

Warnings

For external use on dogs only.

Avoid contact with eyes (dogs or people)

Do not use

- On dogs less than 12 weeks old
- If condition worsens or does not improve after regular use of this product as directed, consult a veterinarian
- If condition covers a large area of the body, consult your veterinarian before using this product

Keep this and all pet products out of reach of children.

Uses

relief of the symptoms of seborrhea, dermatitis, eczema, itching, irritation, redness, flaking.

Directions

Rinse pet with warm water until coat is thoroughly wet. Massage a handful of shampoo (less for small pets) into the coat. Continue massaging and add water during the process to make sure the shampoo is distributed through the coat. Rinse well. Apply shampoo a second time and work shampoo into lather. Leave the pet in lather 5-10 minutes, keeping the pet warm and out of drafts. Rinse thoroughly and dry. For best results, use at least twice a week or as directed by a veterinarian.

Inactive ingredients

Aloe Barbadensis Leaf Extract, Chamomilla Recutita (Matricaria) Flower Extract, Deionized Water, Disodium Cocoamphodiacetate, Ethylhexylglycerin, Fragrance/Parfum, Blue 1 (CI 42090), Glycol Stearate, Hydrolyzed Wheat Protein, Panthenol, Phenoxyethanol, Sodium Chloride, Sodium Coco-Sulfate, Sodium Laureth Sulfate, Stearamide AMP.
