

GREEN TUSSIN SUGAR FREE DM- green tussin sugar free dm liquid
Green Choice for Life

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active Ingredients (in each 15 mL)

Dextromethorphan HBr 10mg.....Cough Suppressant

Guaifenesin 100mg.....Expectorant

□ Purpose

□ Cough Suppressant

Expectorant

Uses

- temporarily relieves cough due to minor throat and bronchial irritation as may occur with the common cold and helps loosen phlegm (mucus) and thin bronchial secretions to make coughs more productive.

Warnings

Do not exceed recommended dosage.

A persistent cough may be a sign of a serious condition. If cough persists for more than one week, tends to recur, or is accompanied by fever, rash or persistent headache, consult a doctor.

Do not use

- this product for persistent or chronic cough, such as occurs with smoking, asthma, or emphysema or if cough is accompanied by excessive phlegm (mucus), unless directed by doctor.
- if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric, or emotional conditions, or Parkinson's Disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product.

If pregnant or breast-feeding, ask a health professional before use.

In case of accidental overdose, get medical help or contact a Poison Control Center right away.

Keep out of reach of children.

Directions

- **Do not exceed 6 doses in 24 hours**
- Use dose cup or tablespoon

age

adults and children 12 years or more

dose

2 tablespoons (30 mL) every 4 hours

age

children under 12 years of age

dose

consult a doctor

Factores Farmacológicos

Ingredientes activos (en cada 15 mL)	Propósito
Dextrometorfano HBR 10 mg	Supresor de la Tosa
Guaifenesina 100 mg	Expectorante

Usos

- Alivio temporal de la tos debido a irritación de la garganta y bronquios, asociada al resfriado común o gripe y ayuda a aflojar la flema (moco) y secreciones bronquiales para hacer la tos más productiva.

Advertencias

No exceder la dosis recomendada.

Una tos persistente puede ser señal de una condición seria. Si la tos perdura por más de una semana, regresa o esta acompañada por fiebre, dolor de cabeza o erupciones en la piel, consulte a su médico.

No usar

- Este producto para tos persistente o crónica, tal como ocurre si fuma, tiene asma, o enfisema o si la tos es acompañada por flema excesiva (secreción), a menos que sea indicada por un médico.
- Si usted está tomando ahora alguna medicina bajo prescripción que contiene (MAOI) (ciertas drogas para la depresión, condiciones emocionales, síquicas o enfermedades de Parkinson) o pasadas 2 semanas después de haber ingerido medicamentos que contienen MAOI. Si usted no está seguro que el medicamento que usted está tomando contiene MAOI, consulte a su doctor o a un farmacéutico antes de usarlo.

Si está embarazada o amamantando, pregunte a un profesional de la salud antes de usarlo. En caso de sobredosis accidental de este producto, busque ayuda médica o contacte a un Centro de Control de Envenenamiento inmediatamente. Mantener fuera del alcance de los niños.

Instrucciones
