-----  
**81276-509 DISINFECTANT SPRAY LEMON 20200925**

**Active Ingredient(s)**

Alcohol 75% v/v. Purpose: DISINFECTANT

**Purpose**

DISINFECTANT

**Use**

Hold container upright 6"-12" from surface. To clean surface, spray for 3-4 seconds until covered with mist, allow to air dry for 10 minutes. For surfaces working with food, spray for 3-4 seconds until covered with mist, allow to air dry for 10 minutes, then rinse thoroughly.

**Warnings**

- Causes eye irritation. Do not spray on eyes, on skin, or on clothing.
- Keep away from heat, sparks, and flames. Do not puncture container. Exposure to temperature above 130° may cause bursting.
- KEEP AWAY FROM CHILDREN.

**Do not use**

- On polished wood, leather, rayon fabric, or acrylic plastics.

When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.

Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

FIRST AID: If in eyes, hold eyes open and rinse eye slowly and gently with water for 15-20 minutes. If irritation continues, call a poison control center or doctor for advice.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

Hold container upright 6"-12" from surface. To clean surface, spray for 3-4 seconds until covered with mist, allow to air dry for 10 minutes. For surfaces working with food, spray for 3-4 seconds until covered with mist, allow to air dry for 10 minutes, then rinse thoroughly.

**Other information**

- Exposure to temperature above 130° may cause bursting.
