Purpose

Supports Cardiovascular and Brain Health

PRINCIPAL DISPLAY PANEL - 90 Capsule Bottle Label

MAGNA Omega 3

Dietary Supplement

SUGGESTED USE: Take one softgel per day or as directed by a healthcare professional.

KEEP OUT OF REACH OF CHILDREN.

Essential fatty acids (EFAs) have a part in running virtually every vital system in the human body. Many lack the proper amount of omega-3 fatty acids from their diet, so supplementation becomes important for overall health.

This highly concentrated omega-3 fatty acid softgel contains more than twice as much eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) as many omega-3 products in a convenient one per day softgel.

- 1400 mg highly concentrated fish oil softgel
- Each softgel contains a minimum of 448 mg EPA, 308 mg DHA, and 154 mg other omega-3s
- One softgel provides more than twice as much EPA/DHA as standard fish oil products
- Uses EPAX® fish oil
- Sourced from fresh, cold water fish (Anchovies & Mackerel) off the coast of South America

To report a serious adverse event, call: 1-888-206-5525
