

WALGREENS 24-HOUR LIDOCAINE PATCH- lidocaine 4% patch
Walgreens Company

Walgreens 24 Hour Lidocaine Patch

Active Ingredient

Lidocaine 4.0%

Purpose

Topical Anesthetic

Use

Temporarily relieves minor pain

Warnings

For External Use Only

Do not Use

- More than one patch on your body at a time
- On cut, irritated or swollen skin
- On puncture wounds
- For more than one week without consulting a doctor
- If you are allergic to any active or inactive ingredients
- If pouch is damaged or opened.

When using this product

- Use only as directed
- Read and follow all directions and warnings on this carton
- Do not allow contact with the eyes
- Do not use at the same time as other topical anesthetics
- Do not bandage tightly or apply local heat (such as heating pads) to the area of use
- Do not microwave
- Dispose of used patch in manner that always keeps product away from children and pets. Used patches still contain the drug product that can produce serious adverse effects if a child or pet chews or ingests this patch.

Stop use and consult a doctor if

- Condition worsen
- Redness is present
- Irritation develops
- Symptoms persist for more than 7 days or clear up and occur again within a few days

- You experience signs of skin injury, such as pain, swelling, or blistering where the product was applied.

Keep out of reach of children and pets

If swallowed, get medical help or contact a Poison Control Center right away 800-222-1222

If pregnant or breastfeeding

ask a health professional before use

Directions

Adults and children 12 years of age and over: Clean and dry affected area. Carefully remove backing from patch. Apply sticky side of patch to affected area. Use one patch for up to 24 hours. Discard patch after single use. Children under 12 years of age: consult a physician.

Other Information

Store in a clean, dry place outside of direct sunlight. Protect from excessive moisture
