

HYSAN HUA TUO MEDICATED- methyl salicylate plaster
HYSAN PHARMACEUTICAL CO LTD

Drug Facts

Active Ingredients

Methyl Salicylate 1%

Purpose

External Analgesic

Uses

Temporarily relieves minor aches and pains of muscles, stiffness around the neck and shoulders and joint pains due to:

- simple backache
- arthritis
- strains
- bruises
- sprains

Warnings

- external use only
- use only as directed

Do Not use

- on opened wounds
- on damaged skin
- eczema
- hairy surface of skin

Ask a doctor or pharmacist before use if you are

- prone to allergic reactions from medicine and/or cosmetic
- children under 12 years of age, and if you are pregnant or nursing a baby

When using this product

- avoid contact with the eyes or mucous membranes
- highly adhesive plaster may hurt skin upon removal

Stop use and ask a doctor if

- a rash or irritation develops
- condition worsens
- symptoms persist for more than 7 days or clears up and occur again within a few days

Keep out of reach of children to avoid accidental poisoning.

If swallowed, get medical help or contact a Poison Control Center right away

Directions

- adults and children 12 years and older, clean and dry the affected area, and apply to affected area not more than 3 to 4 times daily
- if you have sensitive skin, try a small piece of the plaster on the arm for 60 minutes before first use. If rash, redness or itching results, discontinue use and consult a doctor

Other information

- be stored below 28°C (82°F)
- closed tightly after used

Inactive ingredients

menthol, sesame Oil
