WARNINGS

Warnings:

1. Please discontinue use immediately in the event that you experience any of the following side effects from using this product, and consult a dermatologist as the symptoms may get worse with continued use.
 - (a) Adverse skin reactions occur upon its application which may involve red spots, swelling, itchiness, and other skin irritation.
 - (b) The applied part shows signs of any of the symptoms mentioned above after exposure to the direct sunlight.
2. Do not apply to wounds and the area affected by dermatitis, eczema, and other irritations.
3. Precautions for handling and storage
 - (a) Always close the cap after each use.
 - (b) Always keep the product out of the reach of infants.
 - (c) Do not store the product in high and low temperatures. It should also be kept out of direct sunlight.
4. Vulvar Cleanser
 - (a) It should only be used on the vulva.
 - (b) It should not be used for long periods of time.
 - (c) It should be used with extreme caution when there are affected areas on the (vulvar) skin or the surrounding area has become contaminated.
 - (d) It should not be used on children under 3 years of age.
 - (e) It is not recommended for use during pregnancy and it is advised that you discontinue its use on the vulva until you deliver a baby as it may get into the eyes of the newborn baby.

KEEP OUT OF REACH OF CHILDREN

KEEP OUT OF REACH OF CHILDREN:

Keep this product out of reach of infants and young children.
