The letters 'HPUS' indicate that the components in this product are officially monographed in the Homoeopathic Pharmacopoeia of the United States.

Uses

This homeopathic medicine is made from a combination of ingredients traditionally used to help symptoms associated with cough and cold*; dry cough, expectorant cough, chest congestion, fever, aches and pain.

*These claims have not been reviewed by the Food and Drug Administration. They are based on traditional homeopathic practice, not medical evidence.

Warnings

Stop use and ask a doctor if: • Pain & cough get worse or last more than 5 days. • Fever gets worse or lasts more than 3 days. • Redness or swelling is present. • New symptoms occur. • cough comes back or occurs with rash or headache that lasts. These could be signs of a serious condition.

If you are pregnant or breast feeding, ask a health professional before.

Keep out of reach of children. In case of accidental overdose, contact a medical professional or poison control center immediately.

Directions
