Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Fungicure Anti-Fungal Wash

Active ingredient

Sepia 12x

Purpose

Antifungal treatment

Uses

For the treatment of most

- jock itch (tinea cruris)
- ringworm (tinea corporis)
- athlete's foot (tinea pedis)
- tinea versicolor

For relief of:

- itching
- scaling
- cracking
- burning
- redness
- soreness
- irritation
- discomforts which may accompany these conditions.

Warnings

For external use only

Ask a doctor before use on children under 2 years of age.

When using this product avoid contact with the eyes. If contact occurs rinse thoroughly with water.

Stop use and ask a doctor if

- irritation occurs
- there is no improvement within 2 weeks (4 weeks for ringworm, athlete's foot and tinea versicolor).

Keep out of reach of children. If swallowed, get medical help or contact a poison control center right away.

Directions

- Read all package directions and warnings before use.

- Use only as directed.
- Clean the affected area with Fungicure Anti-Fungal Wash and warm water, rinse and dry thoroughly.
- For best results, leave on for 1-2 minutes before rinsing and drying.
- Use twice daily (morning and night), or as directed by a doctor.
- **This product is not effective on scalp or nails.**
- For jock itch, use daily for 2 weeks.
- For ringworm, tinea versicolor and athlete's foot, use daily for 4 weeks. If condition persists longer, consult a doctor.
- For athlete's foot: pay special attention to spaces between the toes; wear well-fitting, ventilated shoes, and change shoes and socks at least once daily.
- Intended for use by normally healthy adults only.
- Persons under 18 years of age or those with highly sensitive or allergic skin should use only as directed by a doctor.
- Supervise children in the use of this product.
