STORAGE
Store in a cool and dry place. Avoid direct sunlight.

DIRECTIONS

1. Turn the cap counter clockwise to remove and peel off the seal.
2. Gently tug at the center wiper and feed it through the top down the inside-out.
3. Screw the cap back on and you are ready to use. If the wiper is used at a time.

CAUTION

- The cap should be immediately sealed after a wipe is needed, to prevent the volatilization of the sanitization liquid on the wiper.
- This is a topical disinfectant product to keep the cap sealed to avoid contamination.
- Use one wipe per object to avoid cross contamination.
- Children's toys should be wiped and sanitized and then rinsed in water before use.
