Purifying Cleanser

Active ingredient	Purpose
Benzoyl Peroxide 2.5%.....	Acne Treatment

Use for the management of acne

Purifying Cleanser Warning Section

Warnings

For external use only

Do not use this medication if you have very sensitive skin or if you are very sensitive to benzoyl peroxide.

Ask a doctor or pharmacist before use if you are using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

When using this product

- avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water.
- keep away from lips and mouth
- avoid unnecessary sun exposure and use a sunscreen

Stop use and ask a doctor if skin irritation occurs.

Keep out of the reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Purifying Cleanser Directions Section

Directions

- Use morning and night. Apply a small (dime sized) amount to dampened skin and gently massage for

1 to 2 minutes.

- Rinse thoroughly with warm water
- Pat dry
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day
- If going outside, use a sunscreen

Other information

- This product may bleach hair or dyed fabrics
- Avoid storing at extreme temperatures (below 40 degrees F and above 100 degrees F)
