Directions

- shake well before and frequently during use
- apply liberally 15 minutes before sun exposure
- hold container 4 to 6 inches from the skin to apply
- do not spray directly into face. Spray on hands then apply to face.
- do not apply in windy conditions.

- use in a well-ventilated area and avoid inhalation
- children under 6 months of age: Ask a doctor
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:
- limit time in the sun, especially from 10 a.m.- 2 p.m. wear long-sleeved shirts, pants, hats, and sunglasses
- reapply:
- after 80 minutes of swimming or sweating
- immediately after towel drying
- at least every 2 hours

Other information

- protect the product in this container from excessive heat and direct sun
- may stain some fabrics
