BANIFLU

Provides protection during cold and flu season

Indications: Homeopathic remedy for immune support during cold and flu season.

Dosage: Adults: Dissolve 2 tablets in a clean mouth 3 times daily for 7 days prior to the winter season or before traveling. Repeat every 3 months or if exposed to infection. Babies and small children: Crush tablets and sprinkle onto tongue.

Caution: If symptoms persist or worsen, a health care professional should be consulted. Keep this and all medicines from the reach of children.

Ingredients: Each dose contains equal parts of Influenzinum (30C), Bacillinum (30C), Gelsemium (30C) (HPUS), Nux vom (30C) (HPUS)

Lactose (inactive ingredient).

If pregnant or breastfeeding, ask a health professional before use.

Contains no gluten, artificial flavors, colors or preservatives. Safe for all ages and during pregnancy.

All Native Remedies health products are especially formulated by experts in the field of natural health and are manufactured according to the highest pharmaceutical standards for maximum safety and effectiveness. For more information, visit us at www.nativeremedies.com
