Natural Acne Solutions Clarifying Toner with Cica 284872.001

Salicylic Acid 1.0%

Acne Treatment

Uses

- For the treatment of acne
- Clear and helps prevent acne blemishes, pimples, blackheads and whiteheads

For external use only. Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only one medication should be used unless directed by a doctor.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions • Clean the skin thoroughly before applying the product • Moisten a cotton pad with toner and apply to face one to three times daily • Avoid the eye area, if contact occurs rinse thoroughly with water • Because excessive dryness may occur, start with one application daily, then increase to two or three times daily if needed or as directed by a doctor • If bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive Ingredients:

water, glycerin, salix nigra (willow) bark extract, centella asiatica leaf extract, calendula officinalis flower extract, fructose, citric acid, inulin, pentylene glycol, zinc PCA, fragrance*
