

OPTI-NAIL 2-IN-1- tolnaftate liquid
Kramer Laboratories

Drug facts

<i>Active ingredient</i>	<i>Purpose</i>
Tolnaftate 1%	Anti-fungal

Uses

- proven effective in the treatment of most athlete's foot (tinea pedis) and ringworm (tinea corporis)
- helps prevent most athlete's foot with daily use
- for effective relief of itching, burning and cracking.

Warnings

For external use only.

Do not use on children under 2 years of age unless directed by a doctor.

When using this product

- avoid contact with eyes.

Stop use and ask a doctor if

- irritation occurs
- there is no improvement within 4 weeks.

KEEP THIS AND ALL MEDICATION OUT OF THE REACH OF CHILDREN.

In case of accidental ingestion, contact a physician, emergency medical care facility or Poison Control Center immediately for advice.

Directions:

- Clean affected area with soap and warm water and dry thoroughly.
- Apply a thin layer of Maximum Strength Antifungal over affected area twice daily (morning and night) or as directed by a doctor.
- The brush applicator allows for easy application to skin around the nail.
- Wear well-fitting, ventilated shoes, and change shoes and socks at least once daily.
- For athlete's foot pay special attention to spaces between the toes.

- For athlete's foot and ringworm, use daily for 4 weeks.
- For toe fungus, apply to skin around nails. If condition persists longer, consult a doctor.
- This product is not effective on the scalp or nails.
- Supervise children in the use of this product.

Opti-Nail™ 2-in-1 Fungal Nail Repair + Antifungal

Directions For Use

Always apply step 1 BEFORE Step 2

First clean affected areas with soap and water and dry thoroughly

Step 1

Apply Fungal Nail Repair Formula (Green side) to Nail Surface

Unscrew the green cap.

Using the applicator, apply a thin layer of solution directly on entire affected nail surface twice daily (morning and evening).

(Solution looks clear.)

Nail surface will appear wet after application. Avoid applying to skin around the nail.

After applying, recap tightly and allow treated nails(s) to dry for a few minutes before beginning Step 2.

Apply twice a day for 4 weeks, then use once daily as needed to maintain look.

For external use only. Avoid contact with skin. Apply only to nail surface. Avoid contact with eyes and mucous membranes. In case of contact with eyes, rinse cautiously with water for several minutes. May cause irritation if applied to skin. Discontinue use in the event of an allergic reaction or irritation. Do not use if you are allergic to any of the ingredients in the product. Keep out of reach of children. Avoid inhalation. Diabetics should ask doctor before use.

Sunburn Alert: This product contains alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use sunscreen, wear protective clothing, and limit sun exposure while using this product for a week afterwards. Product is flammable, do not use near an open flame.

Fungal Nail Repair Formula Ingredients: Ethyl lactate, glycerin, water, lactic acid, resacetophenone, citric acid (if needed for pH balance).

Fungal Nail Repair Formula does not treat, cure, or prevent fungal infections

Step 2

Apply Maximum Strength Antifungal (Blue side) to Skin Around Nail

Unscrew the blue cap.

Using the applicator, apply a thin layer of medicine to skin around nails twice daily (morning and evening).

(Medicine looks white to off-white.)

After applying, recap tightly and allow treated area to dry for a few minutes before putting on socks and shoes.

Apply twice a day for 4 weeks.

For external use only. Do not use on children under 2 years of age unless directed by a doctor. When using this product avoid contact with eyes. Stop use and ask a doctor if irritation occurs or if there is no improvement within 4 weeks. Keep out of reach of children. In case of accidental ingestion, contact a physician, emergency medical care facility or Poison Control Center immediately for advice.

Maximum Strength Antifungal: Active ingredient: Tolnaftate 1% Inactive ingredients: aloe vera (aloe barbadensis) gel, ascorbic acid (vitamin C), dimethicone, DMDM hydantoin, edetate disodium dihydrate, eucalyptol, glycerin, glyceryl stearate SE, lavender oil, mineral oil, olive oil, PEG-100 stearate, phenoxetol, propylene glycol, tea tree oil, titanium dioxide, tocopheryl acetate (vitamin E), xanthan gum, water

Maximum Strength Antifungal is not effective for nail or scalp fungus. Cures most athlete's foot.
