INACTIVE INGREDIENTS

PURIFIED WATER, GLYCERIN, ISOPROPYL ALCOHOL, CARBOMER, 2-AMINO-2-METHYL-PROPANOL, ORGANIC PEPPERMINT AND LEMON ESSENTIAL OIL

SULFATE FREE. PLANT BASED. VEGAN.

This uniquely powerful and effective cleaning formulation is designed to protect your family and our environment.

You just watched that guy sneeze and now...he's coming to shake your hand for a hardy hello. Or maybe you are having a blast with the kids at the basketball game or amusement park and it's about time for lunch. You need a thorough clean after getting off the airplane. Ick! Germs abound but you can kill most of those critters with Rebel Green Hand Sanitizer. After use, you will be left with just a hint of peppermint and lemon essential oil goodness. Aloe vera and Vitamin E will help prevent drying of your sensitive skin. When you can't use simple soap and water, hand sanitizer is an excellent alternative. Use it in good health, my friend.

Drug Facts

Active Ingredient	Purpose
