Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Healthy Hands™
Instant Antiseptic Hand Cleanser

Drug Facts

Active ingredient

Ethyl Alcohol (62%)

Purpose

Antiseptic Compound

Uses

- Suitable for use in hospitals, nursing homes, daycare facilities, health care facilities, and many other places where clean hands are important.
- Excellent for use while outdoors hiking, bicycling, on picnics, and other times where water is not readily available.

Warnings

Flammable liquid and vapor

For external use only

Causes eye irritation

May be harmful if swallowed

Do not use

- near heat or flame.
- around the eyes.

Stop use and ask a doctor if irritation and redness develop. If condition persists for more than 72 hours, consult a doctor.

Keep out of reach of children

For eye contact

Rinse eyes with water. Remove any contact lenses and continue flushing with plenty of water for several minutes. Seek medical attention if irritation develops.

If swallowed

Give 3 or 4 glasses of water, but DO NOT induce vomiting. If vomiting occurs, give fluids again. Seek medical attention if discomfort occurs.

Directions

- Apply gel liberally without water to dry hands
- Rub hands lightly until dry
- No wiping or rinsing is necessary

Inactive ingredients

Water, Carbomer, Diisopropylamine, Polysorbate 80, Cetyl Acetate, Acetylated Lanolin Alcohol, Propylene Glycol, Diazolidinyl Urea, Methylparaben, and Propylparaben.
