Nu Skin Clear Action[®]
Acne Medication Night Treatment

Drug Facts

Active ingredient

Salicylic Acid (0.5%)

Purpose

Acne treatment

Use

- For the treatment of acne.
- Penetrates pores to eliminate most acne blemishes.

Warnings

- **For external use only.** Using other topical acne medication at the same time or immediately following the use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.
- **Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse the skin thoroughly before applying medication.
- Cover the entire affected area with a thin layer once daily.
- If bothersome dryness or peeling occurs, reduce application to every other day.

Inactive ingredients

Nu Skin Clear Action®

Acne Medication Night Treatment

Nu Skin Clear Action® Night Treatment helps you wake up to healthier looking skin as it erases the signs of past and present breakouts while you sleep. Retinol and patented Alpha Lipoic Acid work to amend the appearance of unwanted blemish souvenirs (uneven skin texture and discolorations) for a smooth, clear, evenly toned complexion.

Directions: Use at night following toner. Dispense about a dime size and apply lightly in an upward, outward motion to face and neck. Avoid contact with eyes.
