Active ingredients

Salicylic Acid 2%

Purpose

Acne Treatment

Uses

for the treatment of acne

Warnings

For external use only.

Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time.

If irritation occurs, only use one topical acne medication at a time.

Avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse the skin thoroughly before applying the product.
- Wipe pad across all zones of face once or twice daily after cleansing. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to 2 to 3 times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
