Sinus Clear™

SINUS CLEAR is a carefully formulated homeopathic remedy which effectively relieves nasal congestion and restores free breathing through the nose. SINUS CLEAR is non-drowsy and produces no side effects.

SINUS CLEAR contains safe, effective Homeopathic plant extracts. The science of Homeopathy is hundreds of years old and is widely used in Europe and Asia. It has recently gained popularity in the United States.

The principles of Homeopathy were developed by Samuel Hahnemann in Europe in the early 1800's. They are based on the belief that disease symptoms can be cured by small doses of plant extracts that produce similar symptoms in healthy people.

SINUS CLEAR also contains a proprietary Chinese Herbal Formula. Chinese herbs have been used successfully for hundreds of years throughout Asia.
