-----

**Quick Action Pads**

**Active ingredient**

Salicylic acid 2%

**Purpose**

Acne medication

**Uses**

for the treatment of acne

**Warnings**

**For external use only**

**Flammable.** Keep away from fire or flame.

**When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

**Keep out of reach of children.**

If swallowed get medical help or contract a Poison Control Center right away.

**Directions**

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

**Other information**

- keep jar lid tightly closed
- store in a cool, dry place at room temperature
- do not freeze

**Inactive ingredients**

water, alcohol denat., glycerin, isoceteth-20, sorbitol, sodium hydroxide, fragrance, Lavandula stoechas extract, Helichrysum italicum extract, Cistus monspeliensis extract, disodium EDTA
