Safetec Instant Hand Sanitizer

Drug Facts

Active Ingredient

Ethyl Alcohol 66.5%

Purpose

Antiseptic

Uses

- for handwashing to decrease bacteria on skin whenever soap and water handwashing is not readily available
- helps prevent the risk of cross-contamination of bacteria that potentially can cause disease or infection
- recommended for repeated use

Warnings

For external use only. Flammable, keep away from fire or flame

When using this product

- do not get into eyes. If contact occurs, rinse eyes thoroughly with water

Stop use and ask doctor if

- irritation and redness develop and persists for more than 72 hours

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away

Directions

- place a small amount into one hand
- spread over both hands and wrist
- rub into the skin until dry
- do not wipe off; no rinsing required

Inactive ingredients

Aloe vera, carbomer, D&C green #5, D&C yellow#10, fragrance, purified water, triethanolamine
