Active Ingredient (per 240 mL)

Activated Charcoal, USP 25g

Purpose

Poison adsorbent

Uses

- for emergency use to adsorb swallowed poisons.

Warnings

Do not give

- activated charcoal until after patient has vomited unless directed by a health professional
- **Do not use** in persons who are not fully conscious
- **Do not use** this product unless directed by a health professional, if turpentine, corrosives, such as alkalies (lye) and strong acids, or petroleum distillates, such as kerosene, gasoline, paint thinner, cleaning fluid or furniture polish, have been ingested

When using this product

severe cramping and diarrhea may be experienced.

If Pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children.

Directions

- **SHAKE VIGOROUSLY TO SUSPEND CHARCOAL BEFORE USE**
- remove foil seal underneath cap and replace cap.
- cut off delivery tip of bottle 3/4 inch from end to insert drinking straw included with bottle.
- pull or cut off tip from included cherry flavor and squeeze flavor into straw.
- administer entire bottle, 25 g activated charcoal in 240 mL, or as directed by health professional.

- repeat dose immediately if possible.
- if previous attempts to contact a poison control center, emergency medical facility, or health professional were unsuccessful, continue trying.
- keep patient active and moving.
- save the container of poison.

Other information

- Drinking straw and cherry flavor included
- Store at 20-25°C (68-77°F)
