

**ACNE CLEARING SULFUR MASK- sulfur cream**  
**AcneFree, LLC**

-----  
**Acne Clearing Sulfur Mask**

***Drug Facts***

***Active ingredient***

Sulfur 3.5%

***Purpose***

Acne treatment

***Use***

for the treatment of acne

***Warnings***

**For external use only**

**Do not use on**

- broken skin
- large areas of the skin

**When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- apply only to areas with acne

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

***Directions***

- gently massage into clean wet skin for two to three minutes until mask turns light blue
- leave on for an additional 10 minutes, until dry
- rinse off with warm water and pat dry
- if you experience a tightening and cooling effect that you find too strong, rinse off the mask immediately if uncomfortable
- use 2-3 times per week, or as desired
- avoid the eye and lip areas

***Other information***

- store at 59°–95° F (15°–35° C)
- avoid product contact with silver jewelry, which may be discolored by this product

The deep cleansing mask helps improve acne-prone skin and absorbs excess oil. This mask contains sulfur, a proven, effective acne treatment. The formula containing vitamin C, Copper, Zinc, and Meadowsweet helps minimize the appearance of pores while refining skin tone and texture.

Creamy texture, easy to use, changes color to indicate when it is massaged evenly into skin and ready to leave on.

After use, skin feels refreshed and clean with a healthy glow; oily shine is reduced.

**ACNE CLEARING  
SULFUR MASK**  
3.5% SULFUR ACNE TREATMENT

clears acne  
unclogs pores  
removes blackheads

**DERMATOLOGY
