

**DAY-TIME COLD/FLU RELIEF- acetaminophen, dextromethorphan hbr,  
phenylephrine hcl liquid**  
AptaPharma Inc.

-----  
**Day Time Cold & Flu Relief**

**Drug Facts**

**Active Ingredients**  
**(in each 15 mL, 1 tablespoon)**

Acetaminophen                    325 mg  
Dextromethorphan HBr 10 mg  
Phenylephrine HCl            5 mg

**Purpose**

Pain reliever/fever reducer  
Cough suppressant  
Nasal decongestant

**Uses**

temporarily relieves these common cold/flu symptoms:

- minor aches and pains ■ headache ■ sore throat ■ fever
- nasal congestion ■ cough due to minor throat and bronchial irritation

**Warnings**

**Liver warning:** This product contains acetaminophen. Severe liver damage may occur if adult/child takes: ■ more than 4 doses in 24 hours, which is the maximum daily amount for this product ■ with other drugs containing acetaminophen ■ 3 or more alcoholic drinks everyday while using this product.

**Allergy alert:** Acetaminophen may cause severe skin reactions. Symptoms may include: ■ skin reddening ■ blisters ■ rash

If a skin reaction occurs, stop use and seek medical help right away.

**Sore throat warning:** If sore throat is severe, persists for more than 2 days, is accompanied or followed by fever, headache, rash, nausea, or vomiting, consult a doctor promptly

**Do not use**

■ if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric or emotional conditions, or Parkinson's disease), or for two weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or a pharmacist before taking this product. ■ for

more than 10 days for pain unless directed by a doctor. ■ for more than 3 days for fever unless directed by a doctor. ■ with any other drug containing acetaminophen (prescription or non-prescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacists.

### **Ask a doctor before use if you have**

■ liver disease ■ heart disease ■ thyroid disease ■ diabetes  
■ high blood pressure ■ trouble urinating due to enlarged prostate gland  
■ persistent or chronic cough such as occurs with smoking, asthma, or emphysema ■ cough accompanied by excessive phlegm (mucus)

### **Ask a doctor or pharmacist before use**

if you are taking the blood thinning drug warfarin

### **When using this product**

■ do not use more than directed (see overdose warning) ■ avoid alcoholic drinks

### **Stop use and ask a doctor if**

■ you get nervous, dizzy or sleepless  
■ new symptoms occur  
■ fever gets worse or lasts more than 3 days  
■ pain or cough gets worse or lasts more than 5 days (children) or 7 days (adults)  
■ redness or swelling is present  
■ cough comes back or occurs with rash or headache that lasts.  
These could be signs of a serious condition.

### **If pregnant or breast-feeding**

ask a health professional before use.

**Keep this and all drugs out of the reach of children.**

### **Overdose Warning:**

Taking more than the recommended dose (overdose) may cause liver damage. In case of accidental overdose, get medical help or contact a Poison Control Center right away. Prompt medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

### **Directions**

■ take only as recommended (see overdose warning)

- use dosage cup or tablespoon (TBSP)
- do not exceed 4 doses per 24 hours

age  
adults & children 12 years and over  
children 6 to under 12 years  
children 4 to under 6 years  
children under 4 years

dose  
30 mL (2 TBSP) every 4 hours  
15 mL (1 TBSP) every 4 hours  
ask a doctor  
do not use

When using Day Time and Night Time products, carefully read each label to ensure correct dosing.

### **Other information**

- sodium content per tablespoon: 10 mg
- store at room temperature

### **Inactive Ingredients**

citric acid, FD&C Yellow # 6, Made in USA flavor, glycerin, propylene glycol, purified water,  
saccharin sodium, sodium benzoate, sucrose
