Product Facts		Faits sur les produits	
Medicinal ingredient	Purpose	Ingrédient médicaux	Intention
Ethyl Alcohol 70% (v/v)	Antiseptic	Alcool éthylique à 70 % (v/v)	antiseptique
Use For topical use. Use as part of your daily cleansing routine when soap and water are not available, or to supplement hand-washing. For occasional and personal domestic use.		Usage Pour usage topique. Utilisez dans le cadre de vos activités quotidiennes de nettoyage lorsque vous n'avez pas accès au savon et à l'eau, ou pour parfaire le lavage des mains. Pour un usage domestique occasionnel et personnel.	
Warnings For external use only Flammable. Keep away from fire or flame. Do not store above 86° F (30° C). Keep out of reach of children. If swallowed, call a poison control centre or get immediate medical help. Avoid eye contact. Should contact occur, rinse thoroughly with water. If swallowed or irritation develops, discontinue use and consult a health care practitioner.		Mises en garde Pour usage externe seulement Inflammable. Tenez loin du feu ou des flammes. Ne le gardez pas à plus de 30° C (86° F). Gardez hors de portée des enfants. En cas d'ingestion, téléphonez à un centre antipoisons ou obtenez immédiatement une aide médicale. Évitez le contact avec les yeux. En cas de contact, rincez abondamment à l'eau. En cas d'ingestion ou d'irritation, cessez l'utilisation et consultez un professionnel de la santé.	
Contraindications Do not use on children less than 2 years of age (unless directed by a health care practitioner).		Contre-indications N'utilisez pas sur des enfants de moins de deux ans (sauf sur indication d'un professionnel de la santé).	
Directions For adults and children over 2 years: supervise children when using this product. Apply liberally and rub thoroughly into hands for 30 seconds. Allow to dry.		Mode d'emploi Pour adultes et enfants de plus de 2 ans: surveillez les enfants lors de l'utilisation de ce produit. Appliquez généreusement et frottez soigneusement dans les mains pour 30 secondes. Laissez sécher.	
Non medicinal ingredients Water (aqua), Glycerin, Carbomer, Hydrolyzed Jojoba Esters, Tocopherol Acetate, Aminomethyl Propanol, Fragrance, Denatonium Benzoate		Ingrédients non médicaux eau (aqua), glycérine, carbomère, esters de jojoba hydrolysés, acétate de tocophérol, propanolamine, benzoate de denatonium
