OUR STORY: Oral-B was founded in 1949 by a periodontist who teamed up with his wife and daughter and, in their living room, designed and created a safer toothbrush. Since then, unleashing more smiles has been at the heart of Oral-B's innovation. The brand trusted by dentists and consumers worldwide now brings you the Oral-B Special Care Rinse Collection, crafted to meet your unique oral care needs.

Questions? 1-800-848-7282	

*against plaque and gingivitis with twice daily use

In some cases, antimicrobial rinses may cause surface staining to teeth. This is not permanent or harmful, and may be prevented by adequate brushing or removed at your next dental visit.

If you are not satisfied with your results, Oral-B will refund your purchase via pre-paid card. Simply return your receipt and copy of bottle UPC within 60 days of purchase. Call 1-800-566-7252 for more information.
