

NATURAL ORANGE FLAVOR ORGANIC NATURAL FIBER- psyllium husk powder
Raritan Pharmaceuticals Inc

Active ingredient (in each TABLESPOON)

Psyllium Hydrophilic Mucilloid 3.4g

Purpose

Fiber therapy for regularity

Use

for relief of occasional constipation (regularity)

Warnings

Choking: Taking this product without adequate fluid may cause it to swell and block your throat or esophagus and may cause choking. Do not take this product if you have difficulty in swallowing. If you experience chest pain, vomiting or difficulty in swallowing or breathing after taking this product, seek immediate medical attention.

Allergy alert:

This product may cause allergic reaction in people sensitive to inhaled or ingested psyllium.

Ask a doctor before use if you have

- a sudden change in bowel habits persisting for 2 weeks.
- abdominal pain, nausea or vomiting

Stop use and ask a doctor

- constipation lasts more than 7 days
- rectal bleeding occurs

These may be signs of a serious condition

Keep Out of Reach of Children

In case of overdose, get medical help or contact a Poison Control Center right away at 1-800-222-1222.

Directions:

Put one dose into an empty glass. Mix this product (child or adult dose) with at least 8

ounces (a full glass) of water or other fluid.

Taking this product without enough liquid may cause choking. See choking warning. Stir briskly and drink promptly. If mixture thickness, add more liquid and stir.

Adults 12 years & older: 1 rounded TABLESPOON in 8 oz of liquid at the first sign of irregularity. Can be taken up to 3 times daily. Generally produces effect in 12-72 hours.

Children under 12 yrs: Consult a doctor before use

Bulk-forming fibers like psyllium husk may affect how well other medicines work. If you are taking a prescription medicine by mouth, take this product at least 2 hours before or 2 hours after the prescribed medicine. As your body adjusts to increase fiber intake, you may experience changes in bowel habits or minor bloating.

New Users: Start with 1 serving per day, gradually increase to desired daily intake. You may initially experience changes in bowel habits or minor bloating as your body adjusts to increased fiber intake.

Keep Out of Reach of Children
