INDICATIONS

ReliBiotic is an orally administered prescription probiotic formulation for the clinical dietary management of suboptimal nutritional status in patients where advanced supplementation is required and nutritional supplementation in physiologically stressful conditions for maintenance of good health is needed. ReliBiotic should be administered under the supervision of a licensed medical practitioner.

CONTRAINDICATIONS

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

WARNING

ReliBiotic should only be used under the direction and supervision of a licensed medical practitioner. Use with caution in patients that may have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking other medications.

ADVERSE REACTIONS

You should call your doctor for medical advice about serious adverse events. To report adverse side effects or to obtain product information, contact Redmont Pharmaceuticals, LLC at 1-800-986-5909.

DOSAGE AND ADMINISTRATION

Usual adult dose is 1 capsule once or twice daily or as prescribed by a licensed medical practitioner.

HOW SUPPLIED

Bottle of 30 capsules (71741-423-30¹). Capsule is off-white, oblong.

¹ Redmont Pharmaceuticals does not represent this product code to be National Drug Code (NDC). Product codes are formatted according to standard industry practice, to meet the formatting requirement by pedigree reporting and supply-chain control including pharmacies.
