TOUCH Sanitizing Germ Block, 1oz (28.35g) Aerosol

Active Ingredients Purpose

Benzalkonium chloride 0.13% Microbicide

Use • To eliminate bacteria and viruses on the skin that could cause disease. • Recommended for repeated use. • Use on any surface to decrease the spread of germs.† • 60 sprays per container.

Warnings • For external use only - hands and any surface.

When using this product • Keep out of eyes. In the case of contact with eyes, flush thoroughly with water. • Do not inhale or ingest. • Avoid contact with broken skin.

Stop using and ask doctor if skin irritation develops.

Keep out of reach of children. In case of accidental ingestion, seek professional assistance.

Directions for Use • Shake well before use. Hold Touch approximately 5-6 inches from hand and spray liberally for 1-2 seconds covering the hands and fingers. Rub hands together so that both hands are covered. For daily use as needed.

Other information • Do not store above 170°F (76°C). Flammable

Inactive Ingredients • Cyclopentasiloxane, Dimethyl Ether, Alcohol Denat, Prunus Amygdalus Dulcis (Sweet Almond Oil), Butyrospermum Parkii (Shea) Butter, Fragrance, Methyl Dihydrojasmonate

TOUCH is a unique hand and surface sanitizing mist clinically proven to kill 99.99% of harmful germs. The active ingredient is a broad spectrum microbicide that helps prevent infection while decreasing illness causing germs for up to 6 hours! When applied you will experience the germ killing action while softening your hands. Patent Pending. Made in the USA.

Manufactured by:
REVELO LABS, LLC

510 W. Carmel Dr. Carmel, IN 46033

Dosage is based on total benzalkonium chloride (the API) concentration of 0.13%. A 2 second spray yields 300 mg of product which contains 0.39 mg of API on the hands.

The purpose of TOUCH Hand Sanitizer is to decrease the level of disease causing germs on the hands.

Long lasting. Easy to use.
Extraordinary.
