

**HOME CARE FLUORIDE- stannous fluoride gel**  
**Dental Technologies, Inc.**

-----  
**DTI Stannous - Grape**

**Active ingredient**

Stannous Fluoride 0.4%  
(0.12% w/v fluoride ion)

**Purpose**

Anticavity

**Uses**

Helps aid in the prevention of dental cavities.

**Warnings**

This is an anticavity fluoride preventive treatment gel, not a toothpaste.

Read directions carefully before using.

**When using this product**

it may produce surface staining of the teeth. Adequate tooth brushing may prevent these stains which are not harmful to permanent and may be removed by your dentist.

**Keep out of reach of children.**

If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

- Adults and children 6 years of age and older: Use once a day after brushing your teeth with a toothpaste. Apply the gel to your teeth and brush thoroughly. Allow the gel to remain on your teeth for 1 minute and then spit out. Do not swallow the gel. Do not eat or drink for 30 minutes after brushing.
- Instruct children under 12 years of age in the use of this product (to minimize swallowing). Supervise children as necessary until capable of using without supervision.
- Children under 6 years of age: Consult a dentist or doctor.

**Other information**

Do not use if foil seal under the cap is torn, cut or missing.

**Inactive ingredients**

Ascorbic Acid, Carbomer, Citric Acid, Flavor, Glycerin, Triethanolamine
