-----

**Active Ingredient(s)**

Alcohol 80% v/v. Purpose: Antiseptic

**Purpose**

Antiseptic

**Uses:**

To decrease bacteria and sanitize surfaces

**Warnings:**

For external use only: Hands. Flammable. Keep away from fire or flame.

**When using this product** keep out of eyes. In case of contact with eyes, rinse thoroughly with water, avoid contact with broken skin.

**Stop use and ask a doctor if** irritation and redness develop. Condition persist for more than 72 hours.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

**Directions:**

Open cap on canister, pull sheet up slightly to side. Use on hands and non-porous surfaces. For children under 6, use adult supervision, not recommended for infants.

**Other Information:**

Do not store above 105F. May be harmful to wood surfaces and plastic.

**Inactive ingredients:**

Fragrance, Glycerin, Polysorbate-20, Propylene Glycol, Water

WD SANITIZING WIPES\_v3.pdf 1 9/22/20 6:59 AM

**SANITIZING WIPES**

Use this product as a convenient way to clean and sanitize surfaces. Each pre-moistened disposable wipe decreases bacteria wherever you use it. No bottles, no sponges, no mess. Effective sanitizing has never been easier. Unplug small electrical appliances before use. Not recommended for bare wood surfaces. Do not use on dishes, glasses or utensils.

**DIRECTION FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its label.

**To Open Package:** Open top lid and pull up freely as far to remove the entire cap from the container. Secure wipe at the center of the roll and not over the edge of the wipe through opening in lid. DO NOT PUSH FINGER THROUGH OPENING. Explain lid. Pull sheet up slightly to side. Always keep lid away from face between uses to prevent moisture loss.

**To Clean:** Use fresh wipe on surface. Repeat for multiple stains. To Clean: Pre-clean surface. Use enough fresh wipes to thoroughly wet surface. Surface must remain wet for the entire contact time.

**To Sanitize:** Allow to remain wet for 10 seconds, allow surface to air dry. For surfaces that come in contact with food. Use only on hard, non-porous surfaces and rinse thoroughly with water. To Prevent the Growth of Mold and Mildew and their Spores: Do not use on porous surfaces. Wipe surface and allow to remain wet for 3 minutes. Allow surface to air dry. Repeat applications in weekly intervals or when mold and mildew growth appears.

**NOT INTENDED FOR PERSONAL HYGIENE. DO NOT FLUSH IN TOILET.**

**PRECAUTIONARY STATEMENTS:** Hazards to Humans and Domestic Animals.

**CAUTIONS:** May cause eye irritation. Avoid contact with eyes. Wash hands after use.

**STORAGE AND DISPOSAL:** Store unopened packages in a cool, dry place in areas inaccessible to small children. Dispose of wipe in trash after use. Close lid between uses to retain moisture. Non-refillable container. Do not reuse or refill this container. Store in trash or after for recycling. Contains no phosphates. This container is made of 25% post-consumer recycled plastic.

**FIRST AID:** If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

**CONTACT NUMBERS:** Questions? Comments or in case of an emergency, call 800-222-1222. Have the product container or label with you when calling a Poison Center, or doctor, or going for treatment.
